Eastbury Avenue – *Tree work to be done on following trees: location of tree determined by property No:*
Outside Clarendon Court, Junction with Davenham Avenue corner block of flats

Watford Road - *Tree work to be done on following trees: location of tree determined by property No:*
Corner of Watford Road and Eastbury Avenue - houses at back of Woodhouse Eaves – greenery is very overgrown (this is in addition to the overhanging trees from the flats at Woodhouse Eaves)

Batchworth Lane - *Tree work to be done on following trees:*
Corner of Batchworth and Wolsey Rd (as you enter into Wolsey Rd), Batchworth Lane after you pass Kewferry Rd on the left overhanging greenery which is covering 40 mph sign. Batchworth Lane after you pass Astons Rd on the right overhanging greenery covering small speed sign. Batchworth Lane near/along the bridge, need to check if enough clearance as greenery looks a little low along the pathway.

In Progress by Herts Highways:

Bishops Avenue - We will be working on one of the trees in Bishops Avenue (cherry) (Birch OK)

The Fairway near bottom of road near Batchworth Lane near three rivers message board - tree is overhanging and blocking footpath access. Order was raised

Eastbury Road No. 73, this tree may be replaced, wrong tree for location will take another look with our tree expert.

Watford Road – Overhanging trees from Woodhouse Eaves - Letter written to Jan from Management Agent to request for work to be done

Pot Hole on Sandy Lane near Warrior and outside 'Little Wethers' – gas company to repair.
